

# FFP Report

**FFP mapping information is now available on the Service Provider website.**

The URL link is: <https://sp.chorus.co.nz/report/all-service-capability-sam>

The relevant file is "All service capability by SAM weekly". This is a large file as it covers every broadband and PSTN capable address in New Zealand.

If you have any questions, please get in touch with our PONFAS Product Manager, [Karen Matheson](#).
