

Chorus Roadmap of activity for RSP's

The goal of this pack is to help our customers plan ahead in particular with resourcing for changes Chorus is planning to implement. Please note that timings are subject to change.

The list does not include any marketing promotional activity or offers

Key/Reference/ How to read this roadmap

System changes will be indicated by a ✨

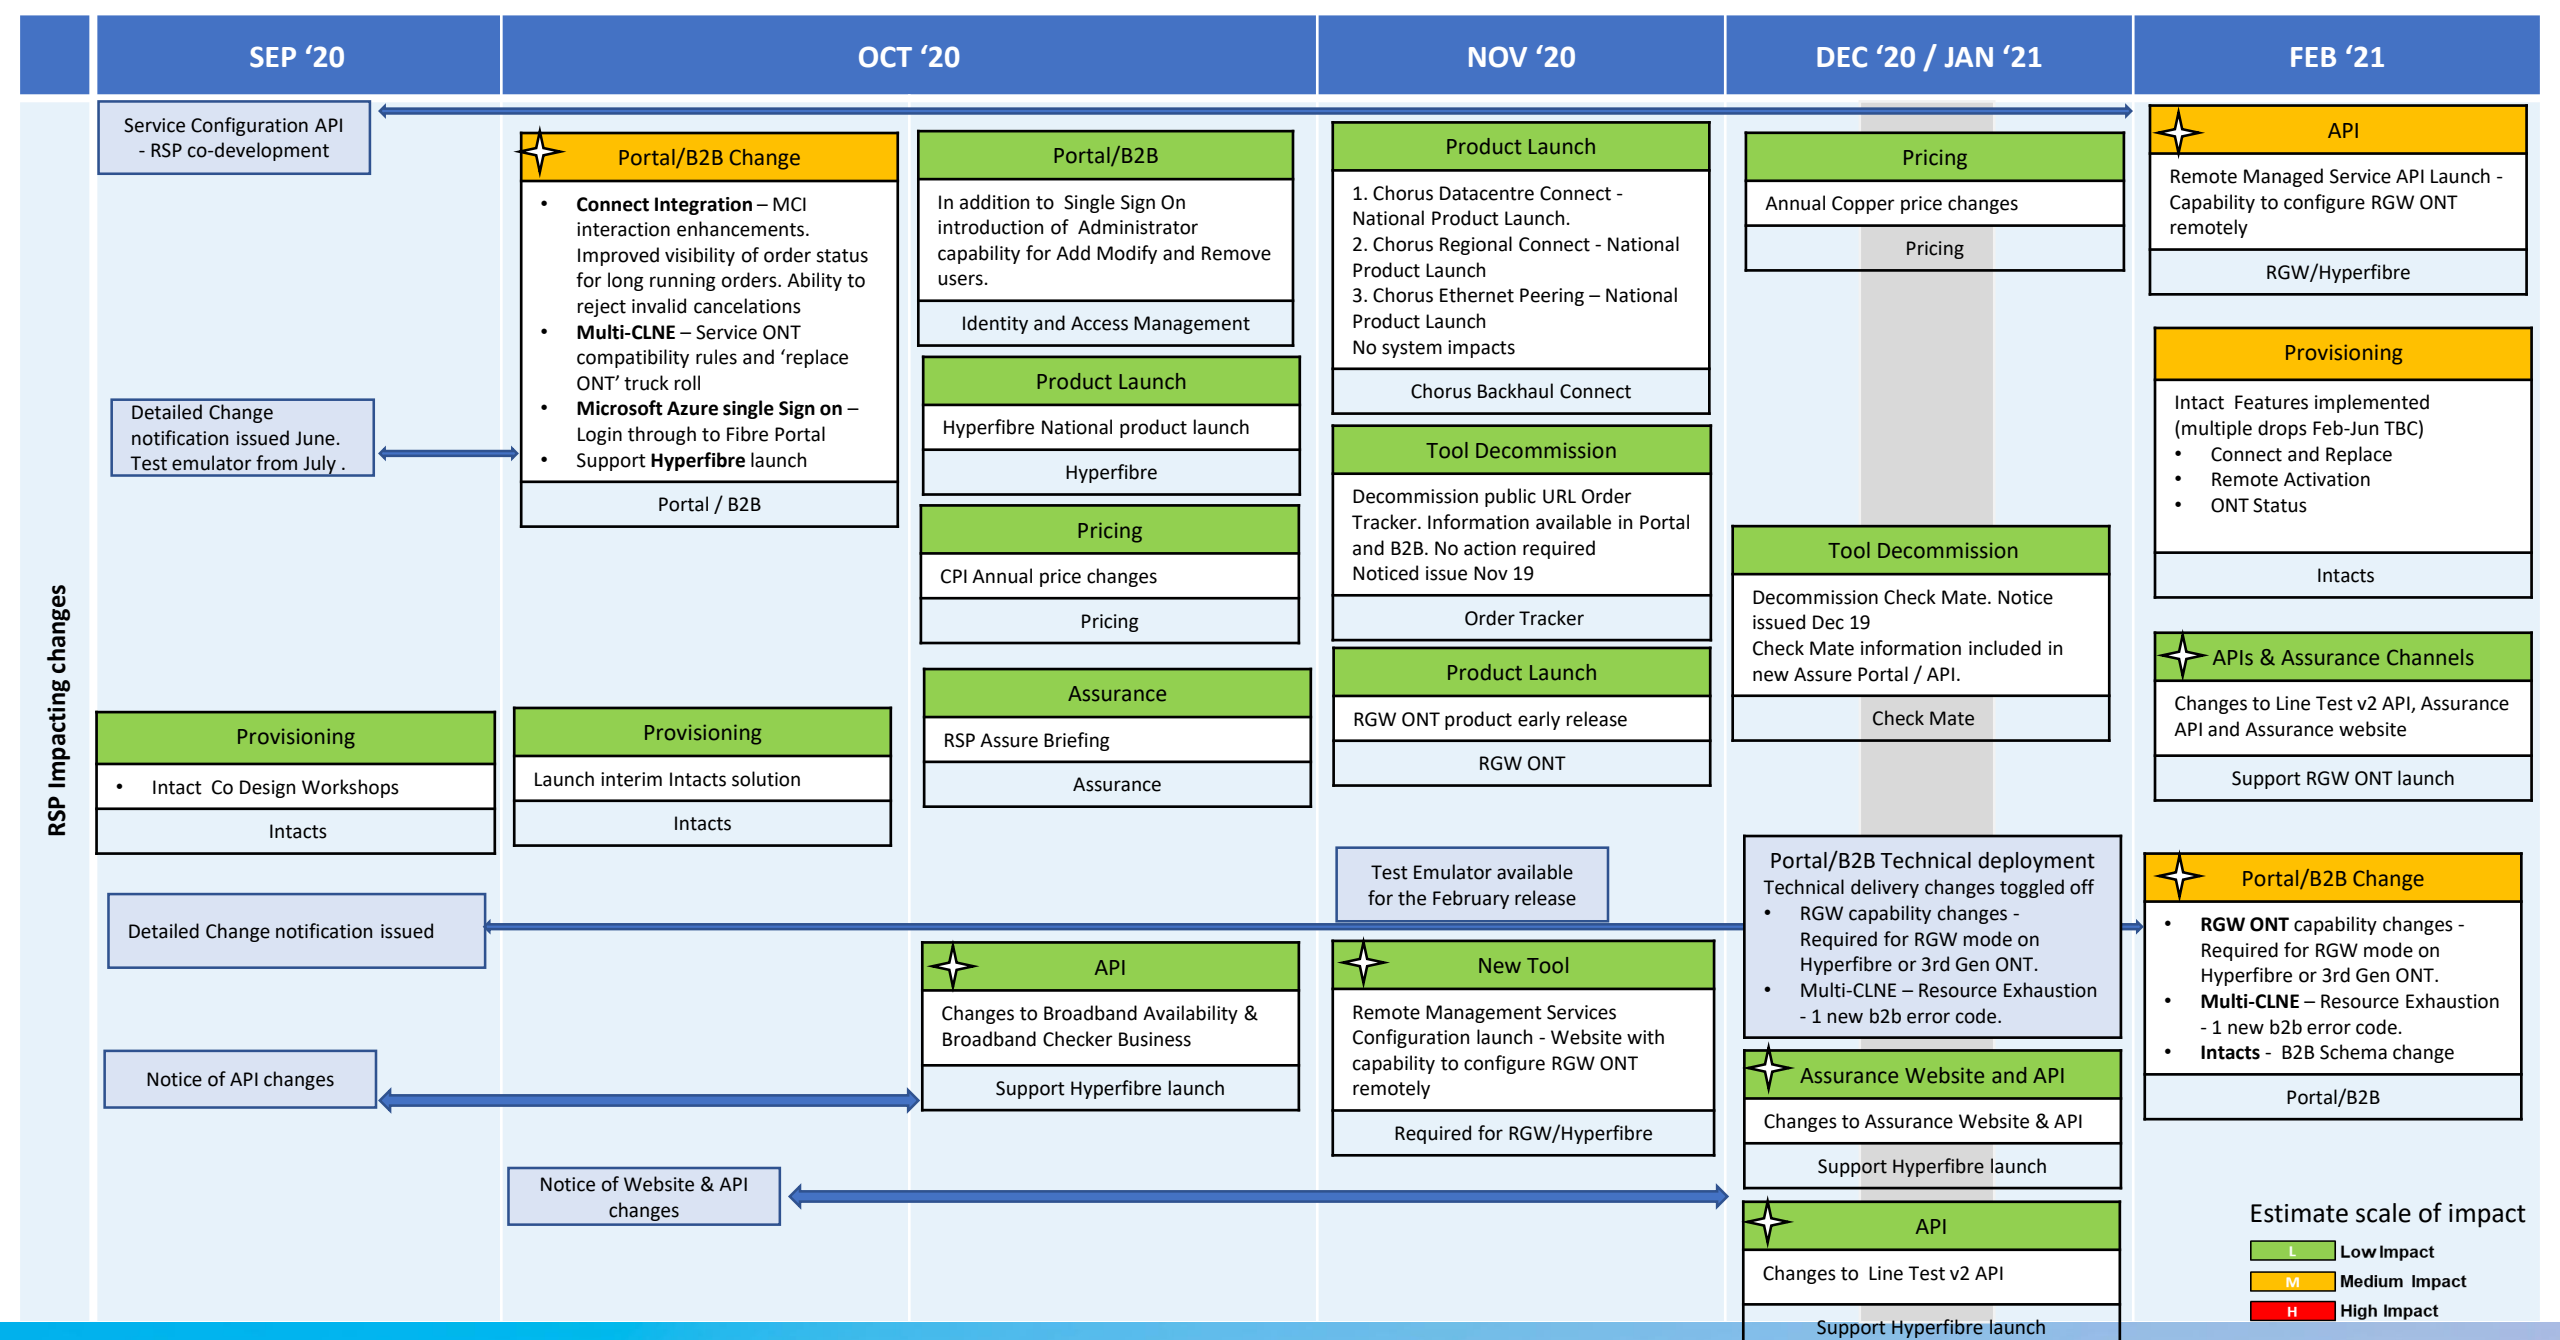

Where the impact is (Portal/B2B, APIs, Product, Pricing, etc.) and Expected impact (H/M/L)

Chorus initiative that is driving the change
