UCLL & UCLF Co-location Performance Report

Consolidated

January 2018

Unbundled Copper Local Loop (UCLL) and Unbundled Copper Low Frequency (UCLF) Co-location Performance Reports are prepared each month to provide a comprehensive view of our performance over the preceding month. These reports measure our performance against service levels defined in the UCLL Co-location Standard Term Determinations.

Executive summary

There were no Service Level Defaults this Month.

Points to note

Defaults that occur at the Access Seeker level but not at the consolidated level are reported to the relevant Access Seeker, in their individual performance report.

Further Information

If you have queries, please email Chorus BI Team.

Site and footprint readiness

100%

This section covers initial and full co-location audits completed within SL following order receipt.
